

## CLUB WOMEN OPEN BIENNIAL CONVENTION

### THREE THOUSAND DELEGATES AND ALTERNATES ATTEND

Several Hundred Additional Delegates are Expected Today—First General Session Will Be Held Tonight—Margaret Wilson Will Be Guest of Honor.

New York, May 23.—The Thirtieth biennial convention of the general federation of women's clubs of America opened here today with 3,000 delegates and alternates present besides approximately 10,000 visitors, including the husbands of about a thousand delegates.

The first general session of the convention will be held tomorrow night and by that time it is expected several hundred additional delegates will have arrived.

A list of "don'ts" sent to women's clubs throughout the country, warning delegates against possible perils that might be set them in the metropolis was cited today by some members of the local arrangements committee as a factor in keeping down the attendance. The "don'ts" suggested by the New York biennial board were:

"Don't select a hotel or place to board without advice.

"Don't call in a physician without advice.

"Don't go to any strange place alone without consulting our information bureau.

"Don't go into a house if you are suddenly taken ill on the street; look for a drugstore.

"Don't engage a taxi-cab or other conveyance except at authorized stations, and avoid riding alone at night if possible.

"Don't let your sympathy be influenced by any one in distress; if you must help, first call a policeman.

"Don't accompany a stranger on any pretext however plausible, for many of the most vicious are apparently respectable.

"Don't carry all your money in one place, and avoid displaying it in public.

"Don't forget to lock up money and jewelry when absent from your room."

The convention officially opened this morning at 10 o'clock with brief meetings of the department chairmen and the board of directors. The session tomorrow night will be held at the Seventh Regiment Armory, with Miss Margaret Wilson, daughter of the president, as a guest of honor.

Today was "New Jersey Day" and immediately after the business meeting the board members, headed by Mrs. Percy V. Pennybacker, the president, and Mrs. William Jennings Bryan, accompanied by more than 600 delegates, left in special trains for Orange, N. J., to attend a reception given by Thomas A. Edison and Mrs. Edison, one of the leading club women in the state.

The Edison home could not accommodate the throng and many of the visitors stood outside in the rain waiting to be presented. After the reception the inventor delivered a brief address on suffrage and preparedness. When he had finished, the guests sang the "Star Spangled Banner."

It was officially announced tonight that delegations are here from 48 states. The last to arrive were those from Maine, Massachusetts, Florida and Maryland.

The campaign for the presidency is being vigorously waged by the supporters of Mrs. Samuel P. Sneath of Tiffin, Ohio, and Mrs. Josiah Evans Cowles of Los Angeles, Cal. Interest in the presidential election deepened tonight when some of the delegates from Illinois declared they will be prepared to introduce a new candidate. They announced Mrs. John D. Sherman of Chicago as their favorite. She was recording secretary of the federation eight years ago.

## CHARGE BURLISON WITH HAVING ORGANIZED POST OFFICE LOBBY

WASHINGTON, May 23.—"Postmaster General Burlison and his assistants," are charged with having organized a postoffice lobby in a resolution introduced today by Representative Good of Iowa, directing a committee inquiry. The resolution is an outgrowth of a flood of telegrams from postmasters and others urging the rejection of senate amendments to the postoffice appropriation bill regarding rural free delivery routes.

The resolution charges that extension of rural routes has denied many patrons an efficient mail service, that political motives were back of the consolidation of the routes and that old and valuable rural carriers have been dismissed. It says that pending amendments to the postoffice bill "limiting the postmaster general's power to cripple the service which resulted in his alleged activities against them."

## FAVOR NATIONAL PROHIBITION

Birmingham, Ala., May 23.—The general assembly of the Cumberland Presbyterian church ended its 36th annual meeting tonight after adopting a resolution favoring a constitutional amendment for national prohibition and approving a committee report which declared that a large number of women had formed the habit of using alcoholic drinks and condemned specifically the use of beer and egg as a spring tonic.

## BRYAN MAY BE PROHIBITION CANDIDATE FOR PRESIDENT

Party Leaders in Chicago Express Belief that Bryan Might Consent to Make Race.

Chicago, May 23.—If he will consent to make the race, William Jennings Bryan may be selected as the candidate for president of the prohibition party. Recent statements of Mr. Bryan before the general conference of the Methodist Episcopal church at Saratoga Springs in which he declared that he had about reached the point where he could no longer follow a political party which refused to endorse national prohibition was discussed by prohibition party leaders here today. They expressed the belief that if the Democratic national convention at St. Louis declines to adopt a national prohibition plank in its platform Mr. Bryan might consent to become the candidate of the prohibition party for president.

The prohibition national convention will be held at St. Paul in June, and will be preceded by a rally in the interest of the movement to obtain pledges from 5,000,000 citizens to vote only for candidates for public office who favor national prohibition.

Other candidates for president being considered by the party leaders are: Former Governor William Sulzer of New York; Former Governor Eugene F. Tamm of Massachusetts; Former Governor J. Frank Hanly of Indiana; General Nelson A. Miles of Washington, D. C.; and Richmond P. Hobson of Alabama.

The convention promises to be the most important in the history of the party in the opinion of the leaders. One suggestion that may come before the convention involves the entire re-organization of the party under a new name.

A referendum of the executive committee is now being taken by mail to select a temporary chairman for the convention. Two candidates being considered are W. P. Ferguson of Franklin, Pa., and Daniel A. Poling of Boston. The convention this year will consist of 1,254 delegates and an equal number of alternates. It is expected that the gathering will draw a crowd of 25,000 visitors to St. Paul.

## TIRES OF TRYING TO SECURE A PET JURY FROM RURAL DISTRICTS

Judge Donnelly Orders Sixth Special  
Venue of 100 to be Called From  
Waukegan and Vicinity.

Waukegan, Ill., May 23.—Tiring of endeavoring to secure a jury from the rural districts of Lake county to try Will H. Orpet, the University of Wisconsin student on trial charged with the murder of Marian Lambert, his former sweetheart, Judge Donnelly today ordered the sixth special venire of 100 men to be called, these to be from Waukegan and vicinity.

Among the new veniremen were ordered to appear are two bank presidents and several minor officials, an ex-mayor and several business men.

Many of the 636 veniremen called so far have been excused on the literary test.

George F. Dolph, 21 years old, a clerk and unmarried, was the only prospective juror of the second panel, to be passed by both sides today. A report that Cyrus H. McCormick had been subpoenaed as a character witness for Orpet was denied by W. H. Wilkerson, chief counsel of the defense. Another that State's Attorney Dady had endeavored with the aid of Celeste Youkers, for whom Orpet is said to have abandoned Miss Lambert, to get Orpet to confess, was also denied by Mr. Dady.

## WAITE WILL ATTEMPT TO SAVE HIMSELF FROM ELECTRIC CHAIR

NEW YORK, May 23.—Confronted by an unbroken chain of evidence which, the state claims, conclusively proves him guilty of the murder of his wealthy father-in-law, John E. Peck of Grand Rapids, Mich., Dr. Arthur Warren Waite, the young New York dentist will go on the witness stand in an effort to save himself from death in the electric chair. This decision was reached tonight by his counsel at the end of the second day of his trial.

The defendant's most trying ordeal probably will come tomorrow, when his wife, Mrs. Clara Peck Waite, her brother, Percy Peck, and Mrs. Margaret Horton, with whom Waite shared a "studio" in a hotel here, will take the stand against him. Mrs. Horton, accompanied by her husband, Harry Horton, and her sister, was in court today, expecting to be called.

## PRESIDENT TO ATTEND DR. GRAYSON'S WEDDING

Washington, May 23.—The President and Mrs. Wilson will leave early tomorrow morning for New York to attend the wedding there tomorrow afternoon of Dr. Gary T. Grayson, the president's naval aide and physician and Miss Alice Gertrude Gordon of Washington and New York.

## RESTORE GERMAN TRAFFIC

Copenhagen, May 23.—via London.—German traffic in the Baltic has been restored according to a Malmo despatch to the Politiken. Five German merchantmen says the despatch arrived in Swedish harbors today escorted by a large squadron of German warships.

## GERMANS REPLY TO FRENCH OFFENSIVE

### TEUTONS LAUNCH ASSAULT AFTER ASSAULT IN DOUAUMONT REGION

Paris Characterizes Fighting as a  
"Murderous Struggle"—Powerful  
Artillery Preparations Precede  
Each Attack.

The Germans have replied to the terrific French offensive in the Douaumont region with assault after assault and the deadly combat north-east and northwest of Verdun is still in progress. Heavy masses of German troops have been thrown against the picked French troops, whose successful attacks won for them the greater portions of Fort Douaumont and considerable ground adjacent to the fort of high strategic value.

These newly captured positions the French have tenaciously held. Particular mention is made by the French war office of the maintenance of the position in Fort Douaumont conquered by the French Monday. The fighting at this point is characterized by Paris as a "murderous struggle." Each attack was preceded by powerful artillery preparations.

Altho they were hard held to the northeast, the Germans would not be denied at Le Mort Homme and after having been mowed down by the French artillery and machine guns with sanguinary losses in the several attacks, finally gained a footing in trenches to the west of this much-fought-for position. Their tenure of the trenches was short lived, however, for the French in a counter attack immediately drove them out.

Italy's first anniversary of her entry into the war found her troops on at least one sector in Southern Tyrol, forced back by the great Austrian offensive upon Italian soil, and in general retirement to the main lines of defense from the region south of Rovereto to the Val Sugana, southeast of Trent.

Rome admits that between the Asitico and Brenta rivers and in the Sugana valley the Italians have fallen back on their main lines of defense. While Rome asserts that the operations were carried out in perfect order after the Italians had repulsed Austrian attacks against the advanced line, Vienna says that in the retreat the Italians were forced across the border by the Austrians. That the Austrians have advanced as far as the head of Lake Garda and the Sarca region is indicated by the Rome official communication which says that Austrian troops assemblages has been observed in the Riva zone.

While along the Russian front, artillery bombardments have continued continuously, the Russians in an infantry attack drove the Germans across the Voslukha river and destroyed their trenches. In the coast region of Asiatic Turkey, southwest of Trebizond, the Russians have repulsed attempts by the Turks to assume the offensive and also have dislodged the Ottoman forces from positions on one of the slopes in the Toris mountains.

The British house of commons has passed unanimously a vote of credit amounting to about \$1,500,000,000. The total credit obtained by Great Britain since the war began are thus raised to about \$11,910,000,000.

## ILLINOIS ELKS ASSOCIATION BEGINS ANNUAL CONVENTION

DANVILLE, Ill., May 23.—Over 2,000 Elks, representing nearly every lodge in Illinois, are here to attend the thirtieth annual convention which began today. A special train carrying Chicago Elks arrived tonight. The first business session will be held tomorrow morning, and officers will be elected Thursday morning.

Roy A. Platt, of Galesburg, accompanied by a delegation of 100 fellow citizens is making a strong bid for president of the Illinois Elks association. A big parade will be a feature of tomorrow's program.

## NEW WOMAN'S PARTY WILL GO INTO CAMPAIGN WITH \$100,000

CHICAGO, May 23.—The new woman's party will go into the presidential campaign with \$100,000 to its credit if a movement launched today by the congressional union is successful. Announcement of the campaign to raise funds to campaign the woman's fight to secure the passage of the Susan B. Anthony amendment was made by Miss Alice Paul, national chairman of the union at convention headquarters today.

The campaign was launched by a committee of prominent suffragists headed by Mrs. A. E. McCreia. Contributions amounting to \$2210 have been secured as a starter.

## TO FORWARD NOTE TODAY.

Washington, May 23.—A completed draft of the new note to Great Britain protesting against interference with neutral mails was sent to the state department today by President Wilson for transmission to London. It probably will go forward tomorrow when Secretary Lansing, who has been ill for several days, returns to his desk. The secretary had planned to sign the note at his home so that it might be cabled tonight, but decided late this afternoon to wait until tomorrow.

## TELEGRAPHIC BRIEFS

COPENHAGEN—via London.—The German government according to the Vossische Zeitung (Berlin) early in June will propose a bill for a new war loan of ten billion marks.

PEORIA, Ill.—Fire swept the business district of Rushville, near here, causing loss estimated at \$25,000. An overheated restaurant stove caused the blaze.

GALESBURG, Ill.—The four year old son of Dell Fernald of Stronghurst, near here, fell into a tub of boiling water and was so badly scalded that he died.

CLINTON—Fatally burned when a can of what she believed to be kerosene exploded, Esther Rosella Dunne, aged 22 years, died at the farm home of her mother, Mrs. James Dunne, a widow.

LEWISTON, Ill.—Another venire of 100 men reported in circuit court here for examination as jurors in the trial of Ben Pearson for the murder of Joseph Day at Smithfield, Ill., April 24, 1915.

ST. PAUL, Minn., May 23.—Altho James J. Hill's condition is not entirely satisfactory, he is reported to be recovering slowly from an illness, which has kept him at his home several days.

LIVERPOOL — A provisional agreement for amalgamation of the Cunard and Commonwealth and Dominion Steamship Lines has been officially announced.

CHICAGO—A permanent injunction against the enforcement of the so-called Loe rule which would prohibit any teacher in the Chicago public schools to belong to the Chicago Teachers Federation as long as it was affiliated with the Chicago Federation of Labor has been issued in the circuit court.

## WILL OFFER SPECIAL RULE FOR CONSIDERATION OF NAVAL BILL

Majority Leader Kitchin Announces  
Plan After Heated Debate on  
Floor.

Washington, May 23.—A special rule to provide for immediate consideration of the naval appropriation bill with night sessions, a limited period of general debate and a final vote not later than Friday or Saturday of next week, will be brought into the house next Monday.

Majority Leader Kitchin announced this plan tonight after a heated debate between Democratic and Republican leaders on the floor during which Mr. Kitchin and Republican Leader Mann accused each other of misstating what took place at the informal conferences on calling up the measure.

The indications are that virtually a solid Democratic majority will vote for the bill as reported by the naval committee with its provision for five great \$20,000,000 battle cruisers. Dreadnaught advocates are depending on the senate to add about two battleships to the construction program.

## COMMISSION MAKES PUBLIC SYSTEM OF PADDED PAYROLLS

CHICAGO, May 23.—A system of padded payroll by which "laborers" on the roll at \$3 a day appeared only on paydays, and said to have cheated the city out of \$1,000 a month, was made public by the civil service commission today.

According to the commissioners, Herbert L. Scriba, a city time-keeper confessed that he had arranged with laborers to lend their names to his payroll, and split 50-50 with them on the proceeds.

Scriba and five others, said to have drawn money fraudulently were arrested. Today was payday and detectives, it was said, saw several of the "laborers" give money to Scriba. Detectives were sent out to arrest others whose names appeared on the alleged padded roll.

## INDICATE FURTHER PLANS OF CARRANZA TO PURSUE BANDITS

Oregon Orders 30,000 Troops to  
Engage in Hunt in Chihuahua and  
Along the Big Bend Districts.

Washington, May 23.—Reports to both the state and war departments today further indicated plans of the Carranza governments to vigorously prosecute pursuit of Chihuahua outlaw bands while the American forces remain comparatively quiescent.

Closely following news of withdrawal from Mexico of the second American punitive expedition sent from Boquillas, Texas, under Colonel Sibley and Major Langhorne, information reached the state department that General Obregon had ordered 30,000 troops to engage in the bandit hunt in Chihuahua and along the Big Bend district.

Delay in opening diplomatic negotiations over the question of American troops remaining in Mexico also was indicated in official dispatches. State department officials said that receipt of the new note now being prepared by General Carranza was not expected before next week.

## COMMITTEE REPORTS ON CHICAGO'S SOCIAL ILLS

### CHARGE POLICE COLLUSION WITH COMMERCIALIZED VICE

Asserts Vice Could not Flourish in  
Chicago Without Police Collusion  
—Has Evidence in Hands of the  
State's Attorney.

Chicago, May 23.—Police collusion with vice is given as the reason for the existence of social evils in Chicago in the report of the committee of fifteen made public today. The committee of fifteen organized three years ago for the correction of municipal ills of a social nature, includes in its active membership such residents as Julius Rosenberg, Abraham W. Harris, David R. Perkan, Miss Jane Addams, Mrs. Ellen Hendrill, Mrs. Emons Blaine and Harold E. Swift.

"The time has come when this committee," the report says, "in possession of incontrovertible facts, cannot remain silent regarding the inefficiency and positive corruption which have been revealed in police department. We say unequivocally that without police collusion commercialized vice could not flourish in Chicago and we have evidence now in the hands of the state's attorney awaiting his action."

A condition characterized as "abhorrent" by the committee is the alleged proximity of places of vice to school houses.

"We have startling facts to reveal to the board of education on request," the report says.

Segregation of vice is called "a delusion and a snare" in the report, which says that much has been accomplished in the ten months operation of the injunction and abatement law, a measure enabling action against property owners renting for immoral purposes. Under it notice is served on the owner; if ignored injunction may follow and on second notice abatement of the premises for all purposes for one year may be ordered by court. The report says this law has proven very effective.

Reason for alarm is found by the committee in the marked increase of vice in dance halls and cabarets, two institutions which have become veritable traps for the unwary.

## GOV. DUNNE POINTS TO NEED OF NATIONAL PREPAREDNESS

Addresses Camp Fire Meeting of the  
Illinois Grand Army—Commander  
in-Chief of National G. A. R. Urges  
Military Training in Schools.

Decatur, Ill., May 23.—Citing the perilous situation of the nation at present, Governor Edward F. Dunne, pointed to the need of strengthening our national defenses and urged preparedness in his address tonight in the camp fire meeting of the state encampment of the Illinois Grand Army of the Republic.

Governor Dunne expressed his respect to the veterans assembled in this city for the golden jubilee celebration of the founding of the organization in Decatur.

Another address that rang with the advocacy of preparedness was that of Elias R. Monfort, commander-in-chief of the national G. A. R. He urged military training in the schools and ridiculed the song "I did not raise my boy to be a soldier."

He said "Our mothers raise their boys to be American citizens. When they are true American citizens and there is a time when the country is called to defense, their boys will be soldiers."

Mr. Monfort urged the making of national guard of the country not a body of men to fight each other in domestic troubles but one that is fit to fight in national defense.

Contrasted with these two addresses was that of Ex-Governor Joseph W. Fifer, a veteran, who expressed his fear for establishment of a standing army and pointed out that standing armies have been the cause of the destruction of many strong countries. He said, he was in a measure in favor of preparedness but declared that in three months a volunteer army could be trained in the United States that could defend the coasts against the invading armies of the world.

His address was received with cheers. There are about 800 veterans registered in the encampment. Meetings were held today by all the state auxiliaries of the G. A. R. A Grand Army tree was dedicated with fitting ceremonies this afternoon.

Election of officers will take place Thursday. Tomorrow the G. A. R. and auxiliaries will form a parade at 2 o'clock in the afternoon. A musical life and drum corps will assist bands in furnishing the music of the afternoon.

## MEAGRE RETURNS INDICATE NORBECK WINS OVER EGAN

Sioux Falls, S. D., May 23.—Meagre returns from over the state indicate that Peter Norbeck has won by a substantial vote over G. W. Egan, the Republican nomination for governor. By about 3 to 1, C. A. Christopherson of Sioux Falls is leading Representative C. H. Dillon in Minnehaha county for the Republican congressional nomination.

## ASSIGN METHODIST BISHOPS TO NEW EPISCOPAL RESIDENCES

Altho Assignments Will Not Be Announced Until Later in Week, It Is  
Learned a Large Number of  
Changes Are Made.

Saratoga Springs, N. Y., May 23.—The twenty-five bishops of the Methodist Episcopal Church were assigned to their new episcopal residences at a special meeting of the Episcopal conference tonight. Altho the assignments will not be announced to the conference until later in the week, it was learned that a large number of changes have been made, to be effective at the end of the conference after being ratified by the delegates. The seven bishops who were elected last week received these assignments:

Thomas Nicholson, who has been secretary of the church board of education, to Chicago, Ill.; Adna W. Leonard, of Seattle, to San Francisco, Cal.; Matt S. Hughes, of Pasadena, Cal., to Portland, Ore.; Franklin Hamilton of Washington, D. C., to Pittsburgh, Pa.; Charles B. Mitchell of Chicago to St. Paul, Minn.; William F. Oldham of New York to Buenos Aires, South America, and Herbert Welch of Ohio to Seoul, Korea.

The following transfers have been made: Frank M. Bristol from Omaha, Neb., to Bristol, Tenn.; Homer S. Stuntz from South America to Omaha, Neb.; William A. Quayle, from St. Paul, Minn., to St. Louis, Mo.; William F. McDowell from Chicago to Washington, D. C.; Edwin H. Hughes from San Francisco, Cal., to Boston, Mass.; Richard J. Cooke from Portland, Ore., to Helena, Mont.; Theodore S. Hendrison from Chattanooga, Tenn., to Detroit, Mich.

The residence of Bishop William O. Shepard has been transferred from Kansas City, Kan., to Wichita, Kan.

New residences have also been established at Pittsburgh, Detroit and Seoul, Korea.

## COMPLETE CONSIDERATION OF COMMITTEE AMENDMENTS TO BILL

Restore \$200,000 Appropriation for  
Deepening East River, New York.

Washington, May 23.—Consideration of committee amendments to the rivers and harbors appropriation bill was completed by the senate today after two weeks of debate. The only important change made has been the restoration of a \$200,000 appropriation for deepening East river, New York, which was put into the bill by the house at the request of the president and stricken out by the senate committee. Many senators have amendments and Senators Kenyon and Sherman have shown no signs of abandoning their filibuster, so there is no saying when a final vote on the bill will be reached. Opposition to the measure was stimulated today by the announcement by Senator Taggart, Democrat, that he would not vote for it unless the \$13,000,000 total was reduced by fifteen or twenty millions.

Over a vigorous protest by Senator Smoot, the senate sustained a committee provision for a preliminary survey of the Brazos, Colorado, and Trinity rivers in Texas, Arkansas, Louisiana and Oklahoma to determine plans for flood prevention and the extent to which the national government should co-operate with the states in carrying out the plans.

The Utah senator contended that these surveys would duplicate previous investigations and that the work should be done entirely by the states.

Increase appropriations for maintenance and development of the upper Mississippi river were voted in by large majorities and there was no opposition to appropriations for the Southern California harbors.

## BAKER BEGINS EXHAUSTIVE STUDY OF HAY-CHAMBERLAIN ARMY BILL

Will Undertake Authorized Re-Organization of Regular Army and  
National Guard as Soon as the  
Measure is Signed by the President.

Washington, May 23.—Secretary Baker began an exhaustive study today of the Hay-Chamberlain army bill with a view to undertaking the authorized re-organization of the regular army and national guard as soon as the measure is signed by the president. Re-organization of the militia will be dealt with first. Senator Chamberlain, chairman of the senate military committee conferred with Mr. Baker late today regarding administrative features of the new legislation. The senator said he planned to call up before the military committee Friday his bill for universal military training in schools and camps. Secretary Baker for the first time since he became head of the war department expressed his views of universal military service.

"Every citizen is under obligation to serve for the defense of his country," he said. "In view of the universality of the obligation I favor universal training, thru some system of selection that will provide adequate defense for the country."

## GERMANY CREATES FOOD DICTATORSHIP

### SWEEPING POWERS ARE GRANTED NEW [FOOD DICTATOR]

Will Be Able to Expropriate all the  
Foods and Fodder and May Even  
Establish Fixed per Capita Ration  
if Necessary—Gazette States Adequate  
Nourishment of Population  
is Assured.

Berlin, May 23.—via London.—"The adequate nourishment of our population is fully assured and will not be rendered doubtful by any blockade regulations of enemy states no matter how unscrupulous they may be and no matter how long the war may last," says the semi-official North German Gazette today in an announcement of the creation of a food dictatorship with sweeping powers, "however the short harvest of 1915 together with reduced imports, have resulted in a food scarcity in some directions, which makes itself acutely felt, the efforts to better conditions have been hindered by the fact that each federal state has been able to make independent regulations. This will now be corrected by a centralization of power."

Probably never before have such sweeping powers been concentrated as are now granted Herr Von Batocki, the new food dictator. Various counsellors will be assigned to him, representing agriculture, industry, trade, the military and the consumers and representatives of the federal states and of associations connected with the war also will aid him. Final decision on all questions however, rests solely in Herr Von Batocki's hands. The regulations of the federal council will not be affected by the appointment of the dictator, but in case of pressing necessity the dictator is even empowered to issue contrary regulations, but these must be immediately laid before the federal council for approval.

The dictator will be able to expropriate all foods and fodder, and may even establish fixed per capita rations if necessary. The only express limitation of the dictator's powers is contained in the provision that the new department's measures will take into consideration orders of the military commanders. The date at which the new order of things will become effective is to be announced shortly. The surrender by the federal states of their prerogatives indicates a realization that existing conditions demand such surrender. Adequate breadstuffs are on hand and it is even likely that the bread and flour ration for physical workers soon will be increased. Enough potatoes also are available to carry the country thru until the early crop is harvested altho it is possible that the allowance must be somewhat reduced. It cannot be denied however, that Germany is likely to approach nearly to a condition of a vegetarian eden in coming months.

The Lokal Anzeiger sums up the situation as follows:

"It is no longer any secret that certain supplies are short, not so much as a result of the friendly efforts of our enemies, but as the result of last year's poor harvest."

The Lokal Anzeiger refers to mistakes in organization but says after all the main reason for the existing evils is the scarcity of supplies.

## ADOPT PLAN TO MERGE COLLEGE BOARD AND BOARD OF EDUCATION

ATLANTIC CITY, N. J., May 23.—Adoption of the plan for the merger of the board of education and the college board and the announcement that the committee on bills and overtures had not yet reached an agreement regarding the charges of heterodoxy against the New York Presbytery and Union Seminary were the outstanding features of today's discussions of the Presbyterian General Assembly. Discussion of the proposed merger, which had been recommended by the executive committee occupied the entire afternoon session. Dr. J. Ross Stevenson of Princeton, made the closing argument in favor of the proposition and it was adopted by an overwhelming majority.

### A Suffrage Argument

As an answer to the argument that if complete suffrage rights are given to women that home life will in consequence be neglected, suffrage leaders are pointing with "pride" to the fact that woman have voted in New Zealand for twenty years and the lowest death rate for babies in the world is in New Zealand. Then they say that women have also voted in Norway, Australia, Sweden, Denmark, and Finland, and the death rate for babies in these countries is the next lowest after New Zealand.

### What About Bryan?

Prohibitionists are said now to be casting their eyes toward William J. Bryan as a possibility for the presidential nomination when their convention meets in St. Paul this summer. Bryan's recent statement before the general M. E. conference at Saratoga, that he is about in the position where he cannot follow any party not committed to national prohibition, has given special point to the prohibitionists' talk just at this time. If the statement is true that if the Democratic national convention at St. Louis refuses to adopt a prohibition plank Bryan will be open

## Rippling Rhymes

By WALT MASON

### Tired

When I was working on a farm,  
and brandished, with my strong  
right arm, the muzzle-loading hoe,  
I said, "I'm tired of such a grind;  
some softer snap  
I'll have to find,  
and to the town  
I'll go." I got a  
job in Stuckers  
store, and there I  
worked three  
months or more,  
and still was short  
of bliss; and so I  
muttered, with a  
sob, "I'll have to  
hunt another job  
there is no fun in  
this." I wrote in-  
surance for a  
while, and as I walked mile after  
mile, to rope some "prospect" in, I  
said, "I'm weary of this stunt; some  
other graft I'll have to hunt,  
at which a man may win." I got a job  
at grooming swine, and found it  
wasn't very fine, nor what I had de-  
sired; and so I raised my voice and  
swore, as I had often sworn before,  
"This labor makes me tired." I  
never found a job I liked; from ev-  
ery form of toil I hiked, until I  
broke my tugs; that's why they're  
taking me today out to the poor-  
house, far away, where paupers swat  
the bugs.

### DATES IN ILLINOIS HISTORY.

May 21—The justices of the court at Kaskaskia petitioned the county  
lieutenant, John Todd, to prohibit  
the American soldiers from killing  
the live stock of the French inhab-  
itants without paying for it. They  
also requested that the sale of liq-  
uor to the Indians be stopped.

to overtures from the prohibition  
party it can mean nothing less than  
that the former secretary is seeking  
a new party alignment. It is hard  
to even think of the Democratic party  
adopting a national prohibition  
plank.

It is the belief of many of Bryan's  
friends and the hope of all his ene-  
mies that he is politically dead. That  
remains to be seen, for Mr. Bryan  
has already survived a dozen or so  
changes and shocks which would  
have completely exterminated the  
average political leader. Here's a  
guess—that Bryan is not yet on the  
political scrapheap.

### A Character Study

The Independent seems to have  
settled down to the belief that the  
Republican nomination is going to  
Roosevelt or Hughes and presents  
a study of the characters of the two  
men. Both Mr. Roosevelt and Jus-  
tice Hughes are referred to as men  
of proved ability and high charac-  
ter, but their abilities are of a dif-  
ferent kind. "Mr. Hughes is pri-  
marily a thinker. Mr. Roosevelt is  
a man of action. Any difference that  
there may seem to some—the one  
side or the other—in point of char-  
acter is really a difference of tem-  
perament. Their characters manifest  
themselves thru different mediums.  
Mr. Roosevelt is a very difficult per-  
sonality to analyze. He is something  
of a paradox. It is almost impos-  
sible to make any generalization about  
him that is strictly true. Mr. Hugi-  
es, however, is more easy to define.  
You may like him or not, but every-  
one agrees on what manner of man  
he is."

### Studying Vice.

Parents of Chicago University  
students who have been sent out to  
gather information about the condi-  
tions in cabarets and dance halls in  
that city are naturally not enthus-  
iastic about this particular form of  
education. The experiment was un-  
dertaken by the sociological depart-  
ment at the university, following the  
example set by a Boston institution.  
The theory advanced was that an  
intimate knowledge of conditions as  
they really exist would be very help-  
ful to the young men and women in  
warning them where fast living  
leads. But the evidence is strong  
that there is no need for young men  
and women of college age to come  
into such close relationship with vice  
and experiments of this kind too  
frequently ventured upon would be  
much more apt to lead to vice than  
to serve as a preventive against it.

With the protected lives that most  
of these students have lived the  
first hand knowledge of Chicago  
conditions will come as a shock very  
likely to dull their sensibilities and  
to injure instead of improve.

### When erdu Was English.

It was in the city of Verdun that  
Napoleon, in 1803, interned the  
greater portion of the English tour-  
ists in France, who were suddenly  
arrested, on May 23 of that year,  
on the rupture of the treaty of  
Amiens, as a reprisal for the seizure  
by the British of all the French  
ships in British ports. For a dozen  
years some thousands of British  
tourists lived in compulsory exile  
at Verdun. Many of them were peo-  
ple of wealth and title, who had  
taken their wives and children, their  
nurses, carriages and servants, with  
them to France. Verdun became,  
temporarily, an English town. Eng-  
lish shops sprang up. The exiles es-  
tablished their own clubs, including  
a jockey club, and regular race meet-  
ings and a pack of harriers were or-  
ganized. There was also an English  
church at Verdun during the long  
wait for peace.

### BIG MILEAGE MARKS MADE BY MAXWELLS

Recent Performances of Touring  
Show a Minimized After-Cost.

The attention of the automobile  
public has been drawn at various  
times this spring to notable mil-  
age performances of Maxwell cars.  
In view of the upward trend in the  
price of gasoline, a great deal of im-  
portance is attached to the after-cost  
of automobiles and the officials of  
the Maxwell Motor company take  
great pride in the records that have  
been made by their product.

Above are listed some of the more  
remarkable of the series of economy  
marks registered by Maxwells. These  
are taken from a greater list of econ-  
omy records. Unsolicited testimoni-  
als to the high mileage records made  
by Maxwell cars are constantly com-  
ing to the Maxwell offices at Detroit.

The most encouraging feature of  
the economy runs is that the highest  
mileage was obtained in the more re-  
cent tests. The California run was  
made on May 3rd. On that day,  
Ray McNamara drove a stock  
Maxwell touring car from Oakland,  
California, to San Jose. The mileage  
obtained was 45.6 miles on a gallon  
of gasoline. This run was observed  
by newspaper men and by officials  
of the Lincoln Highway Association  
and the San Diego Fair.

This run was a little better than  
the mark made by the same driver in  
Michigan early in April, when he  
drove a stock car and made an even  
44 miles on a gallon. On that day,  
the weather conditions were unfa-  
vorable, the temperature being close  
to freezing and a strong wind pre-  
vailing most of the distance.

Most of the economy tests abroad  
have been staged in mountainous  
country and have proved the endur-  
ance as well as the economy of Max-  
well cars. The South African test  
was made around Table Mountain,  
which has two fairly steep gradients.

Mrs. D. B. Hutchison, Jr., of  
Springfield, Mo., is in the city for a  
visit with relatives.

## SEEK TO BREAK WILL LEFT BY MRS. DUCKELS

Provision Leaving Coal Royalties in  
Trust for Long Period not Accep-  
table to Heirs—Allege Deceased  
not Competent When Will Was  
Made.

In the circuit court a bill has been  
filed by Neil S. Duckels and his  
sister, Henrietta E. Duckels, in  
which they seek to set aside the will  
of their mother, Mrs. Henrietta E.  
Duckels. They are represented by  
L. O. Vaughn. It is set forth in the  
bill that when Mrs. Duckels made  
her will in November, 1909, that she  
was not of sound mind and memory  
and was not in fit mental condition  
to make a will. It is set forth that  
the complainants are the only heirs.

Mrs. Duckels died April 19, 1915,  
and by the terms of her will George  
Ball and Henrietta Duckels (were  
named to jointly execute the will.  
By the will the testatrix gave the  
homestead property and contents,  
together with other personal prop-  
erty, to her daughter, Henrietta Duc-  
kels, and she also bequeathed to her  
a farm near Virden. The bequest  
of the farm land to the daughter ex-  
cepted the coal and oil rights and  
these were bequeathed to George  
Ball in trust for a period of fifteen  
years following the death of Mrs.  
Duckels. The trustee is to lease  
the mineral rights on the best terms  
possible and after deducting proper  
compensation for himself, divide the  
net proceeds between the daughter,  
Henrietta Duckels, and the son, Neil  
Duckels. At the expiration of the  
trust the property is to be deeded  
to the son and daughter.

The sum of \$2,000 was given to  
the son and the rest of the money  
and personal property to the daugh-  
ter. A paid up life insurance policy  
of \$1,000 was bequeathed to the  
children of Neil Duckels.

A farm of 349 acres in Jackson  
county, Texas, owned by the de-  
ceased was bequeathed in equal shares  
to the son and daughter. In ex-  
planation of the division of the property  
it was stated that \$21,400 had pre-  
viously been advanced to Neil  
Duckels out of his share in the es-  
tate. It is on account of the trust  
period of fifteen years covering the  
royalties from coal underlying the  
farm near Virden that the present  
effort is being made to break the will.

### MATRIMONIAL

#### McAllister-Pence

The marriage of James H. McAllister and Mary Mildred Pence was solemnized Tuesday afternoon by Justice Henderson and the couple left later in the day for Woodson where they will make their home. Mr. McAllister has a farm near Woodson. The bride has for the past several years made her home with the family of Percy Scoy, near Murfreesboro.

### PASSED EXAMINATIONS

Those from this city who passed the examination for positions in the state service as piano teachers, according to recent word from Springfield were Miss Margaret T. Conway and Miss Hazel Belle Long.

Lloyd Malone of Beardstown is in the city for a short visit.  
Dr. Paul Allyn of Waverly was a visitor in the city yesterday.

### GOVERNMENT AGENT LOOKS UP INCOMES

Mr. Griesheimer Here to Find People Failing to Properly Report all Their Yearly Returns.

Fred Griesheimer, a representative of the internal revenue service, has been spending a number of days in Jacksonville and presents a fine illustration of how a difficult work can be carried on and everybody kept happy if only the proper amount of tact is used. The specific purpose for which Mr. Griesheimer is visiting Jacksonville is that of checking up citizens who have failed to make income tax returns or who have possibly neglected to list all of their income tax in making such returns. The rules of the department are such that an inspector is not allowed to give out any details concerning his work, and in fact, in making reports is not even permitted to dictate the same to a stenographer. So he was unable to reply to a reporter's request for a story about the local work in which he is engaged, but from other sources it was learned that Mr. Griesheimer has interviewed a large number of Jacksonville and Morgan county people about their income tax returns and not a single one of them has been "mad" although the subject of taxation is not usually considered the basis of pleasant conversation, especially between a government agent and the taxpayer.

Mr. Griesheimer is as his name indicates, a German, and he has an affability of manner and speech that immediately place him on friendly terms with his tax "victims." Based on what local people seem to think, it is unfortunate for the government that all their tax collectors cannot be thus temperamental.

That the work of the treasury department in looking up income tax frauds, evasions and errors is worth while was indicated by a recent report that during the past nine months \$3,380,185 has been collected thru special investigation. There remain still \$1,000,000 individuals and corporations' returns to be examined and so it is confidently expected that the huge total already mentioned will be materially increased. The treasury department estimate is that total income tax receipts this year will be \$110,000,000. In a great many instances failure to pay the income tax is the result not of evil intent, but from a lack of understanding the law.

### MORTUARY

#### Sargent

Mrs. Elizabeth Sargent of 233 West Chambers street died at 1:20 o'clock Tuesday afternoon after an illness of two weeks. She had been suffering with heart trouble and was stricken with pneumonia which caused death. Deceased was born in this county March 14, 1844 and had spent all her life in the county. She was united in marriage in 1860 to William H. Sargent who preceded her in death. The following children survive: William H. Sargent of East St. Louis, Mrs. Nettie Baldwin of Springfield, Edward Sargent of Peoria, Mrs. Minnie Rexroat, Jacksonville, Mrs. F. Gillenberg of St. Louis and Logan Sargent of Jacksonville. One brother George Benjamin of Cleburne, Texas, also survives. Deceased was a member of the Methodist church. Funeral services will be held from the residence, 233 West Chambers street Thursday morning at 10 o'clock in charge of the Rev. G. W. Flagg, pastor of Centenary church. Interment will be in Ebenezer cemetery.

#### Rohn

Loy Henry Rohn, son of Mr. and Mrs. Fred Rohn, living west of Beardstown, was born Dec. 29, 1915, and died May 15, 1916, at the family home. The funeral was conducted at the home of the grandparents, Mr. and Mrs. Wm. Rohn of Beardstown, and interment was in the city cemetery. Mrs. Rohn is a sister of Mrs. W. F. Holscher of this city, who attended the funeral.

**Story.**  
Mrs. Mary Elizabeth Story, wife of Francis Story, passed away Tuesday forenoon at 9:30 o'clock at her home near Murfreesboro. Deceased was the daughter of Hugh and Della Millon and was born Oct. 1, 1856. In 1881 she was married to Mr. Story and to them were born two children, Hugh E., who died in infancy, and Ira Story of Murfreesboro. Mrs. Story was a woman of strong Christian faith and for a number of years was a devoted member of Murfreesboro Methodist church. Four brothers survive Mrs. Story: Elijah and William Millon of Murfreesboro, Charles Millon of Jacksonville, and George W. Millon of Garland, Kan. She leaves also a sister, Mrs. Etta Burrell of Roodhouse.

### EXCELLENT WORK SHOWN IN SCHOOL ART EXHIBIT

A noteworthy feature of the annual school arts exhibit, held the first of the week in Room 10 at Jacksonville high school, in charge of Miss Vivian Whitmer, instructor in art, was the work of high school pupils in costume designing and interior decorating, courses given for the first time this year. In the latter course every phase of home building is taken up from the construction of ground plans and the picturing of the completed house to the arrangement of the interiors, the designing of wall and door coverings, etc. The subdued tones made use by the class this year in the work for exhibit were very pleasing.

The grade work included free hand drawing and cutting, flower and fruit studies and figure work, still life, original design, basketry, and advanced design.

The exhibit was most attractively arranged by Miss Whitmer and was viewed to excellent advantage by a large number Monday night, before and after the class day exercises. The exhibit bespoke faithful work on the part of teachers, who have aided greatly in the success of the various art courses.

### SOCIAL EVENTS

#### Strawn's Crossing Woman's Club.

The Strawn's Crossing Woman's club met with Mrs. Al Foster Tuesday afternoon. There was a large attendance of members and the meetings was an interesting one. Mrs. Frank Green, delegate of the club to the District meeting of the Federation of Woman's clubs at Virginia, gave an account of the session which was heard with interest by the members. Mrs. Ben Lorton gave an entertaining talk on "Why I am a Club Woman." On roll call the members responded with current events. Visitors were: Mrs. Robertson of Berea, Miss Eva Baxter of Woodson and Mrs. Orville Foster and sister, Miss Turner. The next meeting will be held with Mrs. William Thompson, June 5th.

#### Will Give Card Party.

Mrs. James R. Matthews and Mrs. Barr Brown have issued invitations for a bridge party to be given Friday afternoon, May 26, at the Colonial Inn, with Misses Helen Matthews and Ruth Strawn Matthews as the guests of honor.

#### I. S. D. Graduates Have Banquet at Inn.

The eight graduates of the Illinois School for the Deaf enjoyed a banquet Tuesday evening in the balcony of the blue room at the Peacock Inn. An excellent menu was served, after which the young people spent the time in a social way. Roy Lowe is president of the Class, Miss Jessie Doan is vice president and Miss Victoria Gyurman is secretary-treasurer.

#### Kindergarten Closes With Party Tuesday.

Mrs. D. A. Schaffnit, Miss Eva Williams and Mrs. Charles Minter gave a party Tuesday forenoon for the thirty children of the Free Kindergarten, bringing to a close the work of the year. A luncheon was served at 10:30 o'clock, at the close of the regular daily studies.

The hostesses were assisted by Miss Claribel Hopper, director of the kindergarten, and Misses Alice Reaugh and Agnes Sorrells, assistant teachers.

#### Franklin H. S. Juniors Entertain the Seniors.

Juniors of Franklin high school entertained the seniors at a lawn party and banquet Tuesday at the home of H. M. Tulpin. Supper was served at 11 o'clock on the porch, decorated in green and white, the colors of the junior class, and illuminated with Japanese lanterns. Miss Helen Dinsmore of the high school faculty was a special guest. Music and games furnished diversion, as did a clever burlesque track meet. Twenty-five were present to enjoy the hospitality of Miss Ruth Tulpin and other members of the junior class.

#### SCHOOLS AT BLUFFS CLOSE YEAR'S WORK

Pupils to Receive Grades and Promotion Cards Today—Reception is Given for High School Seniors.

Bluffs, May 23.—Our school practically closed today. The pupils will receive their grades and promotion cards Wednesday morning. The fourth and fifth grades were completed by Mrs. Hale, owing to the absence of the regular teacher, Mrs. Elizabeth Butler, whose brother and sister, aged 14 and 17 years have died recently. The brother died one week ago and the sister, Miss Alice passed away Sunday. Both had the measles and later developed typhoid.

Mrs. Anna Sappington is critically ill at her home.

Mrs. James Sawyers who has been critically ill is convalescing.

Mrs. R. C. Myers and children will leave Wednesday for a visit with her parents near St. Louis. Rev. Mr. Myers expects to leave the first of the week for his new appointment in northwestern Kansas.

Members of the Freshman class of the high school were pleasantly entertained at the home of George H. Vannier Saturday night.

The Juniors of the high school held a reception at the home of Roy Beird Monday night for the senior class. The evening was spent in music and games after which an elaborate luncheon was served. Sixteen were present and a delightful evening was passed by those present. On Tuesday night the two classes enjoyed a hay rack ride in the country.

Mr. and Mrs. Elba Gray have returned from St. Louis and have opened up their millinery store and ladies' furnishings on the west side.

John Pine sold two Overlands and one Ford last week. He thinks times are not dull.

### AT THE CARNIAL.

The attendance at the Moose carnival increased two fold last night and the Cannon lot was packed to capacity with a crowd of merry-makers bent on recreation.

All the attractions reported an increase in business over the opening night, especially the Silodrome which showed to capacity at each performance. The walls of this new creation are perfectly straight up and down, making the exhibition presented by the riders about the most sensational and spectacular ever conceived. Riding the old time motor-drome is a baby trick compared to the risk taken on this new creation.

The Garden of Allah seems to be pleasing all patrons and commendation is heard from all visitors relative to the instructiveness of the Sinking of the Titanic and European War pictures.

## Warm Weather Battery Hints

With the pleasant days of summer, comes a tendency for every motor car owner to overlook the necessary care of certain parts of his car which can't be seen.

One of these parts is the storage battery, and because of the important part it plays in starting, lighting and ignition, too much emphasis cannot be laid upon its care.

On this account, the Willard Storage Battery Company are instructing all of their 750 service stations to advise car owners throughout the country on the essential points of warm weather attention to batteries, probably the most important of these is water. During the summer, a storage battery should receive pure distilled water at intervals of a week or ten days. This is necessary because of the evaporation of the solution which gives the battery its life. If this solution is allowed to leave a portion of the battery plates exposed to the air, these plates will deteriorate and the life of the battery will be greatly shortened.

Another point to consider is the hydrometer test to determine specific gravity of the solution. This test should always average 1.280 and in cases where the car owner does not want to make the test himself, he can have it made free of charge at any Willard Service Station. If the battery is allowed to go below the gravity mentioned, it will gradually run down and refuse to turn over a starting motor or operate the electric lights.

By watching these two most important things, any car owner may expect the very best service from his storage batteries.

## FOUR FINISH SCHOOL FOR BLIND COURSE

GRADUATING EXERCISES WERE  
HELD TUESDAY AFTERNOON

Address Made by President Kern of  
State Board of Administration—  
Supt. Montgomery Presents Diplo-  
mas.

The graduating exercises of the State School for the Blind were held in the chapel of the school Tuesday afternoon, with Supt. Montgomery presiding. After the senior chorus had sung Gounod's "Unfold Ye Portals" from the Redemption, the invocation was pronounced by Rev. F. B. Madden. A piano and organ number by Rubenstein was played by Misses Hannah Wessels and Pauline Valentine, and Miss Ethel Sperang sang acceptably H. Lane Wilson's "Carmena."

The address of the afternoon was delivered by President Fred J. Kern of the state board of administration. Mr. Kern spoke particularly of the care taken by the state of Illinois for the blind. He said that there are 22,000 wards of the state cared for in the several institutions and that Illinois spends each year from five and a half to six million dollars in this laudable work. There are 3,500 employees in the institutions and more than 100 of them are physicians, with numerous teachers and nurses.

### Lauds State Board

Mr. Kern said that the state board is continually alert for the securing of new methods or apparatus which will be of benefit to those blind or deaf, or who for some cause are dependent upon the state for education. He said that to be blind, although having the privilege of an education, meant a handicap and that from his viewpoint every blind person is entitled to be pensioned by the state. The speaker referred to the eight hour law adopted by the board of administration and made the assertion that the conduct of the state institutions now is such that Illinois is leading all other states in the care of its wards.

Mr. Kern emphasized the great value of education and expressed the belief that the work of training received by the graduates in the state school would enable them to solve the everyday problems of life in a manner satisfactory to themselves and creditable to their family. He congratulated the graduates on the records made and expressed the belief that they have been fortunate in attending the school under able direction and with a competent faculty.

### Diplomas Presented

Following Mr. Kern's address Miss Gertrude Miller played a piano selection, "Palladia Brillante," then the diplomas were presented by Superintendent Montgomery to Gertrude M. Miller, Jacksonville; George E. Piper, Chicago; Pauline M. Valentine, Chicago, and Hanna J. Wessels, Tampico. Superintendent Montgomery in awarding the diplomas referred to the class motto, "By our efforts we hope to rise," and suggested that the motto summarized what life really is. Those who accomplish must endeavor, and judged by the earnestness displayed by the graduates, Superintendent Montgomery expressed the belief that there would be no shirking in their lives and that they would accomplish things for themselves and their friends by right living and earnest well-directed activity.

The senior chorus sang two selections, "May Song" and "Charity," with solo parts sung by Louis Steiner, and then the benediction was pronounced by Rev. Mr. Madden. The exercises as a whole were of an interesting character.

### CHAPIN.

Rev. L. Hadaway will deliver the baccalaureate address Sunday evening, May 28, at the M. P. church. Mr. Barnett, the M. ## P. A. wins friends without any side inducements—

without any coupons or premiums! The inducement to buy Prince Albert is quality! Neither national nor state restrictions on the use of premiums or coupons can in any way affect the sale of Prince Albert because its policy has always been for quality! Coupons or premiums have never been offered as an inducement to smoke it!

Prince Albert is made by a patented process that cuts out bite and parch and lets men smoke pipe-full after pipe-full or the makin's until the gong sounds, without a kick back or a complaint!

# PRINCE ALBERT

the national joy smoke

Buy Prince Albert everywhere tobacco is sold. Tasty red bags. 5c; tidy red tin, 10c; handsome pound and half-pound tin humidors—and in that fine crystal glass pound humidors with space-saver top that keeps the tobacco in such splendid condition—always!

So it's up to every red-blooded man to jump the boundary line between himself and smoke happiness and know just what all this jimmy-pipe-joy-talk is about!

Men all over the world are today smoking Prince Albert because it meets their taste; because it gives them real tobacco enjoyment they have never found before!

Don't you realize that if Prince Albert, in a few years, has made three men smoke pipes where one was smoked before, it certainly has the call on you—at least for a try-out!

Why, that's only being fair to yourself!

## SPECULATION RUNS LARGELY TO RAILWAY LIST; READING HIGHER

Movement in Specialties is Wider. These Issues Reflected All of their Recent Irregularity.

New York, May 23.—The same conditions and tendencies which characterized the recent advance in quoted values were prevalent again today. Speculation ran largely to the railway list, with a new high record for Reading and best prices of a year or more for other issues of the same class.

There was a wider movement in specialties, which reflected all of their recent irregularity. Recognized war contract shares were lower by a point or two, most of the active session and shipping stocks were similarly affected, likewise the so-called distilling issues.

Mexicans were restored to speculative favor, largely as a result of the absence of further disturbing advices from that country. Mexican Petroleum gaining more than two points, with almost three for American smelting. Coppers as a group continued backward however, and the zinc issues shaded after some early strength.

United States steel seemed to be singled out by the short interest at no time keeping pace with other favorites. Bethlehem Steel also was heavy on limited dealings. Total sales of stocks amounted to 840,000 shares.

Incidents bearing upon the market included Southern Pacific's April statement showing a net gain of \$1,480,000 and an additional gold import from Canada.

The bond market was firm but without feature. United States bonds were unchanged on call.

## THE JOY OF MOTHERHOOD

Words of Encouragement to Childless Women.

Motherhood is woman's natural destiny, but many women are denied the happiness of children simply because of some curable derangement.

Among the many triumphs of Lydia E. Pinkham's Vegetable Compound is its marvelous power to overcome such derangements, as evidenced by the following letter:—

Worcester, Mass.—"I suffered from female ills, and was advised to have an operation, but a friend who had taken Lydia E. Pinkham's Vegetable Compound and who has six children, told me to try it. It has helped me so much that I am now well and have a baby boy who is the picture of health, and I thank the Vegetable Compound for my restoration to health."

—Mrs. BERT GARVEY, 20 Hacker St., Worcester, Mass.

In many other homes, once childless, there are now children because of the fact that Lydia E. Pinkham's Vegetable Compound makes women normal, healthy and strong.

Write to the Lydia E. Pinkham Medicine Co., Lynn, Mass., for advice—it will be confidential.

## A Fine Aid For Mother-to-be

A Helpful Influence At This Most Interesting Period In Woman's Life

We are all greatly indebted to those who tell their experiences. And among the many things which are of immediate importance to the expectant mother, is a splendid external remedy called "Mother's Friend." This is applied over the muscles of the stomach. It is deeply penetrating in its influence. Mothers everywhere tell of its soothing effect, how it allays pain incident to stretching of vessels, ligaments and muscles. They tell of restful comfort, of calm, peaceful nights, an absence of those distresses peculiar to the period of expectancy, relief from morbid sickness, no more of that apprehension with which so many young women's minds become burdened. It is a splendid help. Get a bottle of "Mother's Friend" from your nearest druggist. Ask your husband to get it for you. Then write to Bradford's Regulator Co., 808 Lamar Bldg., Atlanta, Ga., for a very handsome and instructive book. It is filled with suggestive ideas of great help to all women interested in the subject of maternity. And best of all are some letters from mothers that are real inspirations. Write today.

We can go back half a century for letters from women who used "Mother's Friend." And it was this sort of recommendation that extended its use until today it is sold in almost every drug store in the United States. It is considered a standard remedy and one of the most efficient helps known. Directions for using are very easily complied with and it may be used at any time whenever needed.

### LETTER FROM INDIA.

Henry Fairbank, who has been engaged in missionary work in India for a number of years, writes letters regularly to his relatives and friends in the United States. A recent letter is written in interesting vein and tells Mr. Fairbank's experiences with his automobile in Bombay. He also tells of athletic rivalry between the boys of the mission schools and in one instance where this rivalry led to sharp conflict. The letter follows:

Ahmednagar, India, 7th April, 1916.  
Dear Alan and Dell:—

Today is Friday, and this is the first time I have ventured to write on this day, but we were informed that it was safe for us to post our letters to reach Bombay on Saturday. Steamers do not sail nowadays before Sunday anyway. This information is very welcome, because there are times, as it has been this week when it has seemed impossible to send the weekly letter sooner. Momo has written more or less about the general work of the past week. We went to Bombay to get the motor-car out of the customs and bring it up here by cart-road. When I got to Cook office I found that they had insufficient information about the car. So I took out my information, which included the invoice from the Metz Co. and the charges for freight from New York. You see they charge duty on freight as well as on the original cost. I was rather amused to have the appraiser ask me whether it was a second hand or a new car. I said it was a new car. I told him there was a difference of \$105 on account of the absence of the self-starter and self lighter. That satisfied him. They did not require the opening of the car. It was arranged to be taken in its case right up to Byschah, where it was opened. Just incidentally you may be interested to know that there were a great many articles there in the Custom house of Japanese manufacture. Every box of goods from Japan had to be opened and inspected. The most that I saw there seemed to be playthings. One thing I learned was that there were a great many Belgian women in Japan nowadays, and these were not only working themselves but also teaching the Japs to work.

I had an interesting time at the registration office in Bombay. I told the Inspector that I was nervous about driving around in the streets of Bombay, and that I wanted permission to drive the car up to Nagar and send down a statement of the Police Supt. of Nagar about the car. They wanted me at first to bring the car to the Police Office near Crawford Market which is the most crowded part of Bombay, but the Inspector finally said I need not do that, but could send the certificate from Nagar. The first ride outside of the Bychah Compound was on Parel Road going North out of the City. One cannot help being a little nervous about driving a car when he has not driven one for over a couple of years and then begin his job in a place like Bombay streets. However by going very carefully we got out all right. Momo has told of the Bhore Ghat. That was the steepest place I have been in for any long distance. It was a very great relief when that car got to the top of the hill. I have since fixed the carburetor and the car would behave better on that hill than it did that day. There are adjustments still to be made to the car, but on the whole it rides just fine, and we shall enjoy it very much indeed.

We got back to Nagar to find that there had been a very unfortunate occurrence here in connection with the match games which I told you were taking place between teams from the different schools in the city. On Thursday evening, that night we left Nagar there was a little tendency on the part of our boys who were playing to dispute the decisions of the umpire. He finally made a very sharp speech reflecting boys and they made a rush to tell on the pupils and teachers of the Mission High School. This was rather unjust as well as tactless, and helped our boys to feel that there was not any desire to be fair to us. The next day during the play one of our boys was knocked down by one of the boys on the other side. That roused the Mission High School boys of the other side, and the result was a free fight in which sticks were used and stones thrown and things done that were disgraceful. I suppose such things are unknown in America. Well there were about fifty of our boys, or perhaps a hundred against several hundred of the other side, and yet the only complaints of being hurt came from the other crowd. Several went to the hospital for treatment. Lindstrom happened to be away in Vadala, and Momo and I were in Bombay, so the boys who were not in the melee rushed for Mr. Clark and Dr. Hume. Well there were a good many on the other side who felt the boys should be punished by a magistrate, but there were conferences between the teachers of both side and Mr. Clark and Uncle Robert finally got the matter settled by letters being written expressing regret that anything should have been done by our school boys to make a disturbance or to show disrespect to the Headmaster of the other school.

The whole affair seemed to have been settled before we returned. But yesterday Mr. Rajhansa, the headmaster of the other high school, wrote to ask what I proposed to do

about the matter. He said he expected that I would have said something at the prizegiving on Tuesday to restore good feeling. I replied that I went down to his grounds on Tuesday, that no one came near or showed me an attention at all. He himself, Mr. Rajhansa, went by me twice without offering to say a word, and that after watching the boys play for a while, I came away. How was I to know that I was to make a speech on their grounds, where they were hosts, when no one said a word to me. Then Mr. Bhardre, one of our teachers, went to him, and asked him if it had not been agreed that the whole matter would be dropped after the letters had been written and sent. Mr. Rajhansa had little to say, and I guess the whole matter will be dropped. But it shows that the world over rivalry in games excites the combative spirit, and leads to rows. My own feeling is that they tried to make it uncomfortable for our boys. Well, I must stop and say goodbye. It is hot these days, and will get hotter later. Mahabeshwar will seem cooler after this. Goodbye. Love to you all from us both. Your father

Henry Fairbank.

### MANY STUDENTS TAKE PART IN J. H. S. FIELD DAY ACTIVITIES

Band Concert in Forenoon, Followed by Picnic Dinner and Afternoon of Unmixed Fun.

Field day was observed Tuesday at various parks by students of the Jacksonville High school, and with weather, a delicious picnic dinner and well planned amusements, the event was in every way most successful. The high school band went to the park at 10 o'clock and students who went in the morning had the choice of witnessing an interesting game of baseball or giving attention to a two-hour concert by the musicians.

The committee for the day included Miss Helen Obermeyer, chairman; Miss Helen Strandberg, Miss Esther Davis, LeFount Andrews and Frank Robinson.

In a baseball game between juniors and sophomores playing against a senior team, the junior-sophomore team was defeated 9 to 4. Reo Marshall was pitcher for the seniors and Gladden Reeve was in the box for the "allies." The game was full of good, snappy playing and ran for six innings, being called at noon for the picnic dinner.

The attendance was slender during the forenoon hours, the crowd began to increase at noon and during the afternoon practically the entire student body were at the park for the various games and athletic activities. The golf course was kept hot from 1:30 o'clock until the fall of darkness, as many as forty occupying the links at once, and the playing was naturally slow each seemed to enjoy the sport in extra good fashion. The tennis courts were well filled and from 11 o'clock on, double matches formed the amusement of a large number of students.

Almost a hundred J. H. S. young people engaged in dancing during the afternoon, to music by Hite's orchestra of three pieces. The music began a short time after the dinner and kept up, with interest unflagging, until the hour of five.

### FOR CONSCIENCE SAKE AND LIBERTY

I take my pencil in my hand to tell you something I have planned. I think I'll get my little slate and write some names which I'll not state. And when I jot those names today, I'll lay my little slate away; for men and women must not know the names which on my slate shall go. But I will write the names alone, the very best which I have known. And if I do not know the one I'll look him up ere day is done. Just give me one look in his eyes, one glimpse of face, that will suffice. His character is written there, and shows him false, or proves him square; it shows him weak or tells his strength, a man of deeds or of song. And his face tells upon the whole if he's controlled, or has control. Now let me say, just listen, boy, in this big state of Illinois, it's better that your slate you break than pencil there a sad mistake, or tell your neighbor which to choose, or offer him your slate to use. For conscience' sake and liberty, foundation of democracy, our Pilgrim Fathers stepped ashore on Plymouth Rock in days of yore; thus liberty of speech and thought our Fathers to this country brought. And thru the ages coming down, our goddess fair still wears the crown. Then dare not now some influence use the rights of mankind to abuse. Give liberty of conscience first and none may quench nor soil he durst. Unprejudiced, unbiased too, leave men to choose the good and true. Yes, leave them free to choose the best, in our fair "Athens of the West."

—S. Adrian Hughes.

### TAKE LOCAL MOVIE

C. D. Tinsley of Des Moines Iowa will arrive in the city today and will arrange to make a local moving picture. The title of the picture is the "Fire Fighters." Mr. Tinsley uses a cast composed of local people and the local fire department. He has been very successful in the production of the pictures and has just completed the making of two in Galesburg. The picture will be made Thursday, Friday and Saturday of this week and will be shown by Manager Johnson at the Grand.

### RAIL GAME

Sunday the Woodson and Davis Switch nines had a game of baseball at the grounds by the switch and the result was 8 to 9 in favor of Woodson. The pitchers were Nash for the Woodsons and Reeve for the Davis Switch nine.

### FOURTEEN COLLEGES WILL COMPETE FOR CHAMPIONSHIP OF STATE

Entires are Announced for Meet Next Saturday on I. C. Field—Illinois' Prospects Good.

Coach W. T. Harmon has received entries for the ninth annual meet of the Illinois Inter-Collegiate association, to be held on Illinois college field Saturday, May 27, with Harry Gill, track coach at the University of Illinois acting as referee and starter. The schools competing are Illinois college, McKendree college, James Millikin university, Shurtleff college, Southern Illinois Normal, William and Vashti, Illinois Wesleyan, Bradley Polytechnic, Eastern Normal, Carthage, Heddington, Lincoln, Lombard and Eureka college.

The Millikin is generally conceded to have the best team in the "Little Nineteen" conference, Illinois has several men who will stand strong chance for firsts. The local school will without doubt finish well, with good chance of winning if stars from the more distant schools succeed in shaving the Millikin points to any considerable degree.

The first field event, the pole vault, will be called at 1 o'clock, and the first track event, the 100 yard dash at 2 o'clock. Following are the entries received:

#### Illinois College Entries.

100 yard dash—Helmie, Fanning, Wells.

120 yard high hurdles—Frisbie, Barnes.

One mile run—Land, Sooy, Newberry.

440 yard run—Wilson, Helmie, Thiebaud.

#### FLARITY NOT GUILTY

In the trial of John Flarity, who was accused of burglary and larceny, the jury returned a verdict of not guilty. The alleged theft of a hide from the C. & A. depot at Murfreesboro was the basis of the charge. W. L. Armstrong was the attorney for Flarity and the new attorney made an excellent showing as his client was acquitted after the jury had considered the evidence and argument but a few minutes.

### SCHOOL FOR DEAF COMMENCEMENT DAY

PROF. TANNER MADE ADDRESS TO THE GRADUATES

"The Palace of Life" furnished a timely theme—Members of State Board of Administration Present—Diplomas Presented by Supt. Gillett.

The State School for the Deaf has ended another successful year with commencement exercises at the institution Tuesday morning with eight graduates and in the presence of the board of administration and a good sized audience. Jeffries' orchestra furnished excellent music and all passed off well. Superintendent Chas. P. Gillett presided and after several selections by the orchestra Rev. J. E. Langton, rector of Trinity Episcopal church, offered prayer, and then came the salutatory by Miss Jessie Ellen Doan. The young lady said there were times of both gladness and sorrow in life. We need high lights and shadows and the present occasion was a mingling of both. The class would have feelings of sadness at leaving the place in which they had spent so many happy years and glad that they were on the threshold of life ready for its duties and conflicts.

The principal address of the occasion was by Prof. Rollin H. Tanner, A. M., Ph. D. of Illinois college. The speaker most happily and ingeniously compared life to a palace. He told in graphic terms of a building in which he was once entertained; the charming grounds, the stately edifice, grand without and beautiful within. He told of the singular emotions as he was ushered into one of the splendid apartments for the night. The table was supplied with all that the heart could wish and stood where those sitting at it could look out on a beautiful landscape.

But he had come to talk to them about another palace—the palace of life. In this palace are various rooms, the boys will be doing much interested in the eating room. There will be the sleeping rooms, the living rooms and many others and it is for you to fit them properly and enjoy them as fully as you may making the most of your advantages and finally let there be a room in which you will repair for devotions. I pray that the greatest success may be yours. I pray that you may have a palace fitted with loving care; a palace in which love will be the great aim and inspiring motive. Be faithful to duty; cultivate the society of great and good men and have rooms in your palace for art, for literature and all that is ennobling.

There are five great requisites for success in life; determination, perseverance, self control, patience and reverence. With these and the fear of God in our hearts we may expect success.

President Kern of the state board of administration was next introduced and spoke at some length. He said it gave him great pleasure to be present on such an occasion and to give a great number of facts regarding the history of the institution. Jacksonville was especially an institution city having the oldest state state hospital and the state schools for the deaf and blind. The State School for the Deaf was started at an early day while the state capital was yet at Tallahassee. Gov. Carlton signed the bill Feb. 23, 1839. In 1890 the space occupied by Illinois had but 245 white inhabitants; now it has six millions. This school began with two pupils and now it is one of the largest in the world.

The valedictory was by Roy Dewey Lowe who gave a fine history of the manufacture of paper from the first crude attempts down to the present time. His farewell words to the class were touching and the tribute he paid the superintendent and teachers and officers was beautiful worded.

The entire class then recited in the sign language a beautiful poem which was read by the head teacher, Miss Frances Wood.

The presentation of the diplomas by Superintendent Gillett and the benediction spoken by Rev. J. E. Langton, closed the exercises and the class repaired to the art room to receive the congratulations of their friends.

Guests present were President F. J. Kern, Thomas O'Connor, Frank D. Whipp and Dr. George A. Zeller of the state board of administration; A. L. Bowen, secretary Charities commission; Hon. Edward L. Merritt, Representative 45 district and Dr. George E. Lininger, Superintendent Chicago State hospital.

The following is a list of the graduates and the titles of their essays:

"A Fishing Trip"—Harold Axel Dahl, Chicago.  
"Glass"—Leon John Delbert, Glen Carbon.  
"The Care of a House"—Jessie Ellen Doan, Gifford.  
"The History of Mexico"—Victoria Alma Gyurman.  
"Up-to-Date Methods of Farming"—Carey Harrison Hall, Canton.  
"Paper"—Roy Dewey Lowe, Casey.

"Joan of Arc"—Edith Mabel McDonald, Geneseo.  
"Evangeline"—Olive Aldora Thompson, Morris.

#### PROBATE COURT.

In the estate of A. C. Wadsworth, the petition to declare heirship was heard and allowed.

In the estate of Margaret Duvenack, the petition for allowance of award was heard. By agreement of the petitioner and objectors by their attorneys the award of Mary E. Sentney, a daughter of Margaret Duvenack was fixed at \$500.

Mrs. George Darling of Franklin was a city shopper yesterday.

### "THE TEMPEST" PRESENTED BEFORE GREAT AUDIENCE

Fifth Old English May Festival on Illinois College Campus—An Artistic Achievement.

Very successful was the presentation of "The Tempest" on Illinois College campus Tuesday night before an audience of more than seven hundred people. This was the fifth time Illinois college has held an old English May festival and last night's production of Shakespeare's work in an outdoor theatre to accompaniment of ballad singers, musicians and dancers marks a milestone of artistic achievement on the part of "Old Illinois" and places the college among organizations which are celebrating the Shakespeare tercentennial the country over.

The play was presented by the college dramatic club under direction of Professor J. G. Ames. Co-operating with the club were the conservatory orchestra, directed by William E. Kritch, the college chorus, directed by Edward Munger, and groups of dancers under the direction of Miss Anita Oliver of the Hinman school, Chicago.

In a miniature "Forest of Arden" the old story of the banished duke, the ship-wrecked courtiers and witching spirits of a deserted island was told in a way which true lovers of Shakespeare like to hear. Minstrels and revelers danced and sang, and milk-maids and reapers, pie men and strolling players, all came together for this one night of Elizabethan gaiety and pleasure. Over all hovered the spirit of the gentle and mischievous Ariel, whose soul rose on the thrilling music to express the eternal spirit of art, as compelling in the academic atmosphere of an Illinois college as it was in the days of old on the banks of the Avon.

#### The Shakespearean Roles.

Henry Caldwell as Prospero carried the somewhat complicated story over by the force of excellent diction and strong voice; Miss Daniels also succeeded through her voice quality, which was especially silvery and transported the audience at once to the scene of the ship wreck and culminating romance. Edward Bullard played the roles of Ferdinand and Antonio, the usurping duke of Milan, carrying the part with dignity and force. Owen Jones as Alonso, king of Naples, was well costumed and showed good understanding of his part. As Sebastian, brother of the king, Roy Newberry spoke his lines well and showed good comprehension of Shakespearean repertory. Fred Bray made an excellent Gonzalo, taking the part of an old councillor in apt manner. The roles of Adrian and Francisco were well played by William Berryman and Royal Davis.

The comedy element was furnished by Triculo, a jester, Stephano, a drunken butler, and Caliban, the slave. In the hands of James Capps and Paul Watkins this scene was well managed and deserves special mention. Caliban's best praise was the attention which his every word received from the audience. Clarence Gouvela showed marked dramatic ability in an attractive part.

Miss Dorothy Worthington carried the difficult role of Ariel with a delicate elfishness, her face, voice and figure expressive always of one of Shakespeare's most exquisite creations.

The audience was, as always, delighted to hear the voice of Miss Rebecca Scheibel, who, with Miss Esther Spoons, sang the beautiful hymn of the masque to Sullivan's setting.

The dances were beautiful bits of color, line and rhythm, especially lovely was the flame-like, vivid dance of Victory.

Sir Arthur Sullivan's orchestral score for "The Tempest" was used in the incidental music, which was most effectively placed behind a screen of shrubbery on the right of the stage. The coral singing also was most effective.

The orchestra—Director, William E. Kritch; first violins, Misses Carrie Dunlap, Mabel Forrester, Carrie Mackness and Helen Frazer; second violins, Byron Carpenter, Harold Dunlap, Inez Pires, Charlotte Sieber, Paul May and John Robert Robertson; viola, James G. Capps, Jr., and Miss Minnie Hoffman; cello, Paul Beebe and Paul E. Morrison; bass, Dean Cochran; flute, M. E. Gilbert, clarinet, Wilbur Rogers.

Heralds and Beefeaters—Messrs. McElroy, Ames, Pierce, Reagel, Thibaud, Perbix, Zink, Pussel.  
Piemen—Messrs. Underwood, Brown, Hinton, Smith, Green, Bronson, Swain, Doane, Lane, Nickel, Tanner, Harnes, Folsom, Cully, Ennis, Huxel, Newell, Rusk, Taylor, Davis, Bale, Garrison, Brown, Wilson and Kitter.

### A. F. GRASSLY LONG TIME RESIDENT DIED TUESDAY

Deceased a Merchant Here For Many Years—Other Deaths are Recorded.

After a long illness with christian fortitude Adam Frederick Grassly quietly passed away at 8:30 at his home 857 South Clay Avenue Tuesday morning. He had been failing for some months and the still weak it was thought he might live a little time yesterday. He ate his breakfast as usual and not longer after began to fail and quietly breathed his last.

Mr. Grassly was born August 23rd, 1838 in Herrenab, state of Wurtemberg, Germany, and was the son of Jacob and Sophia Grassly. His birthplace is a charming town, formerly an ordinary municipality but its beautiful location at the edge of the famous Black Forest has caused it to become a place greatly sought by those wishing to get clear away from the cares and perplexities of the rush and whirl of every day life, and it now has within its bounds a number of handsome hotels and summer residences and no wonder for the place is ideal as a quiet resort. It is thirty miles from Karlsruhe, a town of considerable importance and is reached by a little road about like an ordinary street railroad of small dimensions. Its location is charming; the Black Forest skirts it partly and from its depths comes water supporting numerous never failing springs and fountains. Wurtemberg is the original free state of which its inhabitants are proud and justly so. The house in which he was born still stands well preserved. Mr. Grassly's family came to this country in 1855 and settled first in Lancaster, Ohio, going not long after to Griggsville, Ill., where they remained for a time and then moved to Jacksonville in 1862 and have lived here since.

Mr. Grassly was married to Miss Fanny Huffaker, April 18, 1872 and was the father of five children, May, who died September 9, 1878; Michael of Chicago; Jennie, Fannie and Frederick of this city and two grandchildren. He had five brothers, Jacob, Christian, Lewis, August and William. All are dead except William who lives in Chicago. He also leaves two sisters, Mrs. William Luken, east of the city, and Mrs. Walter Phipps of San Jose, California.

Mr. Grassly was a grocer during the greater part of his mature life and was always regarded as an honorable, upright man, respected by every one who knew him. He was a member of Illini Lodge No. 4 I. O. O. F., and the U. C. T. He was also a member of the Central Christian church and led a christian life.

The funeral will be conducted by M. L. Pontius at the family residence at 2:30 p. m., Thursday. Interment will be in Diamond Grove Cemetery.

### BOYS ROBBED CASH DRAWER IN STORE

Charged with Entering Harmon's Store and Taking \$10 in Cash—In Jail Now.

Milford Bridges and Lawrence Hale were arrested by Officer Baker Tuesday on a warrant issued by Lloyd Reid charging them with burglary and larceny. The boys are said to have entered the Harmon dry goods store some time Monday evening between 7 and 8 o'clock and robbed the cash drawer of cash to the amount of \$9.45. They were taken before Justice Dyer Tuesday afternoon and waived examination and in default of bond in the sum of \$200 each were sent to jail.

It seems that the Hale boy used to be employed at the Harmon store and was discharged. He learned while employed there that \$10 in cash was always left in the cash drawer. He also learned that a window in the rear of the store opening in a small area way was always left unlocked. According to the police the boys went into the Hockenbush building and gained an entrance into the rooms of the Chamber of Commerce. From a window of these rooms a low roof was reached from which they dropped into the area way. The Hale boy entered the store while Bridges watched. When the theft was discovered Mr. Reid immediately suspected Hale and swore out the warrants. The boys had spent most of the money when arrested, having \$1.15 left.

The boys are only about 15 years of age. The Hale boy has been in trouble before, according to Chief Davis. The Bridges boy has no home but has not been in any serious trouble. It is probable that they will be sent to the school for boys at St. Charles.

### AFTER MANY YEARS

One of the interested members of the Judges convention today is J. B. Fithian, of Joliet, probate judge of Will county. The gentleman was a resident of Jacksonville but left the place forty six years ago and has not been back since till yesterday. Ifor something like a year he was a reporter on the Journal at the time Beecher Glover was editor. He sees a few familiar objects in the city and only a few. He was a cousin of the Dayton who once lived in a white house next to the corner on the south side of Grove street, near Diamond. The place was afterward sold to Hon. I. L. Morrison who moved away the house and added the ground to his premises.

Judge Fithian recalls the attempt of Mr. Alderman to run a saloon on christian principles. The saloon was duly opened and had quarters on west Morgan street but the enterprise bankrupted the proprietor.

It would require a large space to tell in detail of the many styles and qualities of men's summer hats shown by FRANK BYRNS Hat Store.

### TWO CASES HEARD TUESDAY IN THE CIRCUIT COURT

Damages Awarded in Suit Caused By Horse and Auto Collision—Mrs. Teasley Cleared.

The case of M. R. Fitch against George T. Douglas was heard in the circuit court Tuesday and the jury returned a verdict fixing the damages of the complainant at \$250 and costs. The suit was the result of a collision which occurred some months ago on West College avenue when the delivery car owned by Mr. Douglas ran into the horse and wagon owned by Mr. Fitch. Altho Mr. Douglas was regarded as defendant, in reality the action was against the company in which Mr. Douglas carried indemnity insurance. The complainant was represented by Worthington, Reeve & Green, and M. A. Hayden of St. Louis appeared on behalf of the insurance company. The jury which heard the evidence included Henry Northrup, Charles Harmon, J. Carl Joaquin, G. W. Parks, P. J. Wolfe, O. M. Petefish, William Stringer, Phil Hinners, Matt Harmon, Charles Godfrey, A. L. Wood and Roy Branstetter.

A second case tried was that of the people vs. Pauline Teasley, an appeal case in which the defendant was charged with assault and battery. This case has been pending for more than a year. The taking of testimony, argument and instruction only occupied a few hours and the jury was not long in reaching a verdict of acquittal. The state's attorney was represented by John M. Butler and W. W. Wright appeared for the defendant. The jury was as follows: Fred Drake, George Busey, Oliver Ham, B. R. Morris, Adam Ehrigott, G. W. Patterson, S. E. Bergschneider, W. P. Spillman, Roy Ayre, C. A. Beavers, Albert Farrow and James Landreth.

Jacksonville Lodge No. 570 A. F. and A. M. will hold a stated meeting tonight at 7 o'clock for work. Visiting brethren welcome.

### TO ATTEND BANKERS' MEETING AT BARRY.

The meeting of group Eight of the Illinois Bankers' association will be held in Barry today and it is expected that about seventy-five bankers will be in attendance. The Barry people have made extensive preparation and the program will be one of special present day interest. In addition to discussion of problems distinctly relating to banking, John Temple Graves will deliver an address on "Preparedness." This is one of a series of addresses he is to give before group meetings of the bankers. Among Jacksonville bankers who yesterday planned to attend the meeting were F. J. Heintz, E. E. Crabtree, Homer Potter and H. K. Chenoweth.

### O. E. TANDY INJURED IN AUTO ACCIDENT

Raleigh, N. Carolina, May 23.—O. E. Tandy of Jacksonville is under the care of a doctor today as a result of being seriously injured in an automobile accident while enroute to Chapel Hill to visit his son, George Tandy, a student at the University of North Carolina. At a curve in the road the car suddenly went over a ten foot embankment and turned turtle in the descent. Mr. Tandy jumped and escaped with a fractured shoulder bone and numerous cuts and bruises. Two other passengers were also injured.

### COUNTY JUDGES WILL HAVE STATE MEETING HERE TODAY

Problems Especially Relating to Their Work Will be Discussed—Address of Welcome by L. O. Vaught.

A number of Illinois county and probate judges arrived in Jacksonville yesterday to be present at the annual meeting of the State Judges association which will be held here today. Among the arrivals yesterday were Judge W. Y. Baker, Mt. Sterling; Judge W. G. Gilson, Salem; Judge J. M. Rahn, Pekin; Judge A. C. Fort, Eureka; Judge J. B. Fithian, Joliet; Judge Jay Merrill, Kankakee; Judge William P. Green, Nashville; Judge Albert T. Lardin, Ottawa. The local reception committee includes Messrs. Thomas Worthington, L. O. Vaught and Walter Bellatti, and trains were met yesterday by Judge William E. Thomson and J. O. Priest. The visiting judges were taken last night to the May Day presentation of "The Tempest" on the campus of Illinois college. There are more than eighty judges who belong to the state association and it is the expectation that more than half that number will attend the sessions today.

**Officers of Association.**  
The president of the association is Percy L. Persons, Waukegan, and the other officers are:

Vice presidents—Henry Horner, Chicago; R. C. Rice, Yorkville, James C. Riley, Bloomington, Joseph B. Messick, Belleville.  
Secretary—F. J. Campbell, Galena.  
Treasurer—Lyman McCarl, Quincy.

Executive Committee—J. M. Rahn, Pekin; Chester Barnett, Peoria; B. R. Thompson, Pontiac; J. B. Fithian, Joliet; Wm. E. Thomson, Jacksonville.

### The Program Today.

The sessions today will be held in the circuit court room and will begin at 9 o'clock. An address of welcome will be delivered by L. O. Vaught, president of the Morgan County Bar association, after which President Persons will deliver the annual address. Judge John B. Fithian of Joliet will discuss, "Procedure on Testamentary Trusts" and a general discussion will follow. The next address will be by Judge Henry Horner of Cook county, with the theme, "General Steps in Probating a Will and Administering Upon an Estate." The appointment of committees and other routine business will occupy the remainder of the session.

In the afternoon at 1:30 the public session will be concluded and Judge Lardin of Ottawa will discuss, "Real Estate Proceedings in County and Probate Courts." The discussion will be led by Lyman McCarl of Quincy. Then will come what will probably be the most interesting feature of the whole convention, the question box, which will be conducted by Judge J. M. Rahn, chairman of the executive committee. Delegates have been requested to come prepared with questions and an extended discussion of various questions is therefore expected.

Better styles, larger assortment, and lower prices for men's summer hats, attract customers to FRANK BYRNS Hat Store.

### GEORGE M. RUSSEL TO BE MARRIED TODAY

Will Wed Miss Mabel Reeves in Bloomington—To Live in Chicago.

George Moore Russel and Miss Mabel Reeves will be married this afternoon at 3 o'clock at Bloomington. The ceremony is to occur at the home of William Milton Reeves, uncle of the bride to be. Mr. Russel is the oldest son of the late George S. Russel. He has been away from Jacksonville for a number of years except during the few months spent with relatives here the past winter. Miss Reeves is a daughter of the late Senator Reeves of Bloomington and her brother, Owen Reeves, is now president of the Drovers Deposit National bank in Chicago. Following the ceremony this afternoon the bride and groom will leave for Chicago and will be there during the greater part of the summer. Mr. Russel now has an excellent position with the Carey Safe Co., of Buffalo.

### "A NEW AUTOMOBILE IN TOWN"

Are you going to jump in and buy it just because some friend or neighbor has the agency? We answer no. Let the other fellow experience. Play safety first. Buy a Ford, a car that has been tried, and one that never quits.
